My class is medium size, it is on the second floor and it is 2 D. In my class there are 24 students, they are very nice, in my class there are 24 desks, one teacher's desk and 25 chairs, there are 2 bookshelves and 2 blackboards.

My favourite subjects are: Technology, Computer Studies and English, I don't mind History, Geography and Art, but I don't like Italian and French. My Technology teacher is Aiello, my English teacher is Broccardo, I have a total of 7 teachers.

We have two breaks in the morning the first is at 9:40 and the second is at 10:30; at 1:20 PM on Thursday and Friday we have lunch in the school canteen, after lunch we go to the playground.

In my school you can play an instrument during the music lessons, we can work on the computer during the computer studies lessons, and we can play volleyball, basketball and other games.

My school is very big, there are 3 computer studies rooms and 2 big gyms.
